## DISCLOSURE STATEMENT

May 20th, 2016

Dear **Sirs**:

Medocity, Inc. is currently certified for the "Medocity MD" Version 1 that includes the following components:

- Medocity MD Mobile
- Medocity MD Web

The Medocity Care Platform comprises of Medocity Care Cloud, Medocity MD and Medocity Client (Patient) facing applications that are focused on disease areas including Cancer Care, CHF Care, COPD care and other chronic diseases. These include applications but not limited to the following:

- iCancerHealth for Mobile & Web
- CHF / COPD Care for Mobile & Web
- Senior Living / Home Care

### **Pricing Structure**

Medocity's pricing structure is based on following components:

- # Sites: Total # of office locations (e.g. clinics)
- # Providers: Total # of doctors / nurses
- # Patients: Total # of end users (e.g. patients)

The pricing structure has the following components:

#### A) One Time Integration Fee

This includes any customization, EMR integration and other professional services needed to tailor the platform to the customer

#### B) Subscription Fee

The subscription fee is a yearly fee that includes platform license, feature license and operations support.

### **Contractual Limitations**

- Customer is responsible for monitoring alerts and messages generated and sent by patients.
- Customer is required to open up all necessary ports to server environment to ensure communication with Medocity's platform.
- If there is integration required to customer's EMR, customer shall provide access to EMR environment and must have access to API (Application Programming Interface).

**Technical Limitations**

Medocity's platform is only offered as a hosted cloud solution and cannot be installed on the customer premise.

1. Medocity agrees to notify Drummond Group of any and all future changes to price transparency language for this certified product-version.
2. Medocity understands and is in agreement that the ONC HIT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to disclose accurate price transparency information.
3. Medocity understands and in agreement that we will provide to Drummond Group copies of or be given access to any and all websites, marketing materials, communication statements, and other assertions made by Medocity regarding the ONC certification status of Medocity MD in a reasonable time to ensure the price transparency information is being accurately disclosed.

Language Referencing additional costs and contractual obligations is located on the following site: <http://www.medocity.com/terms-of-service/>

Sincerely,

Medocity, Inc.
